

EARLY YEARS PROGRAM

REmida offers 3 play experiences that allow children to explore their world in different ways.

Free Play Experience

The Free Play Experience allows students to interact with a variety of different materials within a fun and creative session.

Textures Experience

The Textures Experience encourages students to explore the look and feel of different surfaces as they create their own play based experience.

Sights and Sounds Experience

The Sights and Sounds Experience incorporates different aspects of motion, music and play as students explore how materials can be used to create a host of different sensory experiences.
